DOGS

PUPPY (9,2)

- 1. Sidgwick's Wheres Walley - 7month tri with
good dome and black eyes, good
cushioning. Extremely good bone, level topline
and good width of front and so well
put together. Moved extremely soundly. BP**
- 2. Chapman & Ireland's Ellemich The Patriot -
6 month tri not as mature as one but**

very promising. Nicely marked and very typy. Good rich tan, full over the eyes which were black. Short level topline

3. Jackson's Amantra Regal Salute

JUNIOR (5,2)

1. Goodwin's Diggle Dandelion JW - 17.1/2 month blenheim with such a good coat for one so young and this was rich and dark in colour. Very good bone and ribcage and such a level topline. So sound. His head was extremely large for a young dog with round dark

eyes. Good dome which was full over the eyes and good cushioning which gave him such a gentle expression. Moved happily with elan round the ring. Extremely well presented. Considered him for the RCC but just lost out on maturity.

2. Portingale's King's Ransome. Just out of puppy this b/t had such a good head with black eyes. Level topline and cobby with good bone. Moved well round the ring.

POST GRADUATE (14,1)

This class was full of first class dogs and some nice dogs went unplaced. The first three were good quality dogs that I am sure will change places many times.

1. Robinson's Baldragon Brecon JW - Lightly-marked tri. good dome, dark eyes and

correct nose placement and good width of muzzle completed a lovely expression. Low ear set. Good straight front and good bone.

2. Searle's Laola Massimo Dutti At Stonepit - Well-marked tri dog, such a good size cobby with short level back. Good bone, with good width and straight front. Good dome and cushioning under his eyes which were black and, together with good nose placement gave such a pleasing expression. Moved well.

**3. Lindley's Flash The Cash At Meglind
LIMIT (3,0)**

1. Clarke's Stonepit Super Sydney for Poltomic - Have admired this dog for a long time, well marked tri of good size and shape. Moved well round the ring with style and kept a level topline. Good dome, dark eyes and correct nose placement completed a soft gentle expression.

2. Maddison's Celxo Charles Dickens - Masculine rich ruby with good coat and presented in good condition. Large head. Good bone and ribcage. Moved soundly but not the ring presence of 1.

3. Sproul & Coburn's Khandro No Regrets

OPEN (5,0)

1, Pennington & Portingale's Ch Tudorhurst Pirate King - b/t of good quality, correct size with cobby body, with the most pleasing gentle face with dark eyes which were set in a

large head with good dome and good cushioning. Low set ears. Stood completely square.

Good bone and depth of chest with correct front and good turn of stifle. Well constructed. So hard to find in a black and tan and of such quality. I was pleased to award him his so well deserved fourth CC

2. Jackson's Ch Amantra Regal Duke - Two year old quality Tricolour, with good dome and dark eye , correct nose placement. Good ribcage and good width of front with excellent bone. In good coat which was a little wavy but one of the few dogs who had a coat which, sadly, is lacking in the breed today. Moved smartly and happily round the ring

with level topline. Two completely different types and hard to chose between the two but the b/t just melted my heart. RCC

3.Sproul & Coburn Baldragon Berkely for Khandro

BITCHES

PUPPY (6, 0)

1. Harvey & Champion's Lankcombe Clara Bow - Very typy six month old tri girl with good front and level topline. Pretty head set with dark eyes making an appealing picture. Good dome. When not playing up moved soundly and just needs more confidence.

2. Cox's Petitpaws Black Pearl - This 11month b/t has really come on since I first saw her as a puppy. Her body has developed and she has a good ribcage, stood square with a level topline and her coat was straight. Round eyes set in a good head with good reach of neck. She moved well round the ring.

3. Smith & Smith's Othmese Sapphire

JUNIOR (6,1)

1. Baker's Cofton Fairy Tale - Fell in love with this 15month old girl who was so mature for her age. She caught my eye as soon as she came into the class. She is of correct size and shape. Beautiful head, with good dome, so pleasing, large round dark eyes completed the picture. Super outline, level back and moved so well, flowed round the ring, most gracefully. She pushed hard for the RCC and only lost out on the maturity and finish of the rcc.

2. Coupland's Winie Od Dvou Orechu - Super cobby thirteen month b/t, really good body and fantastic ribcage. Good reach. Loved her shape. She has a deep chest. Large head with good dome and full over the dark eyes. Moved well and had a level topline both standing and on the move. Two good quality junior bitches which will be very useful to our lovely breed.

3.Smith & Smith's Cofton Tallisker With Othmese

POST GRADUATE (8, 1)

1. Hardiman's Tovarich Teanna - Wow - Two lovely b/t girls in two classes. This 21 month old b/t girl has suddenly blossomed.

Good head with correct dome and round dark eyes. She has a good cobby body with good bone and good depth and width of chest completed the picture. Moved soundly and happily around the ring

2. Mochrie's Downsbank Tiger Lilly - This 21month old tri girl just oozed King Charles Spaniel. Classic head with good dome, correct nose placement and dark eyes.

Good cushioning completed the picture. She has good bone, with a good ribcage. Straight front and another with good depth and width of chest. Moved a little reticently around the ring but these two could change places.

3.Sproul & Coburn's Khandro Ur My World

LIMIT (7,2)

1. Goodwin's Lanola Mademoiselle JW - Lightly marked, tri of good size and shape.

Good dome with round, dark eyes, correct nose placement and full muzzle completed the picture of a very appealing head. Moved soundly round the ring and just needs to mature.

2. Williams Tovarich Lady Fair for Kasamanda - This lovely 2year old tri certainly did not make the most of herself today. She is a good quality bitch of correct size. She has a really good dome set with dark eye. Short and cobby she certainly fulfils the standard. She moved ok but her handler let her wander and I think they both needed some training.

3.Matches Khandro La Vie En Rose From Fochai.

OPEN (7, 2)

1. Willey & Siddle's Ch Misty For Me JW -I have admired this lovely blenheim bitch for a long time and absolutely fell in love with her on the day. There is nothing to dislike about her. Dark eyes, nose and correct ear placement, with such a good dome. A melting expression which you cannot ignore. She has good lay of shoulders, straight front legs and good width and depth of chest. She was in full coat today and this just enhanced a super quality bitch. She moved freely and soundly round the ring with drive, holding her topline all the time. She has a happy outlook and enjoyed every moment of her showing. I could not find anything to change about her. Very pleased to award her CC and BOB and delighted to see her short listed in the group. A wonderful example of the breed and a real toy spaniel.

2. Robinson's Ch Baldragon She Demands JW - Well known quality tri girl of correct

size and shape and plenty of substance. Short level back both on the move and standing. Gorgeous head with the softest of expressions. Large black eyes correct nose placement and good cushioning. Her ears are low set enhancing her dome and face. Another good quality King Charles and the breed should be proud of both these bitches. RCC

3.Coupland's Tucherish Julie Christie
