

**Bournemouth-Canine-Association
Judge Dr Geoffrey G Curr**

Class 1656 JD (2)

1. Mr & Mrs Austin's DRAGONHEART WINTER MORNING.

Confident chap, showing himself to best advantage. He was the more compact and cobby in this class with a short level back. Nice dome to skull, large dark eyes, open nostrils, breadth to well turned up muzzle.

2. Mr & Mrs Baker's COFTON CASSINO ROYALE...Also showed well, but less mature in appearance, which is not a fault in itself, but the associated issues need time.

Class 1657 PGD (3,1 abs.)

1. Austin's DRAGONHEART FALL BREEZE. Happy enough, but

sudden episodes of uncertainty

had consequences for his outline. More cobby and shorter in loin with good breadth and depth to chest. Lovely head and expression.

2. Mrs C Juniper's LEWISCAROL DUKE OF OXFORD.Pleasing

head, but the body rather faded

away to a somewhat narrow back end. Not an enthusiastic showman today.

Class 1658 LD (4.)

1. Miss D Pearce's CARLEETO LE TROUBADOUR. Good solid well made dog with pleasing breadth

to skull and muzzle with plenty of width between the eyes.No suggestion of excess muzzle length

and good open nostrils. Well sprung ribs and no falling away of breadth through the hindquarters. Moved well with good drive behind. Reserve Best Dog

2. Austin's DRAGONHEART OF WINTER. Confident, cobby with a good topline spoiled slightly by

high tail carriage. Movement not the equal of the winner.

3. Austin's OH DANDY BOY HERO

Class 1659 OD (6,1 abs.)

1. Mrs J Wallhead's SLEEPYHOLLOW TRIKKI DIKKI AT MERIDA.

Lovely masculine head carried

proudly. Cobby body soundly constructed and with strong bone.

Dominant ring presence assisted

by being at the higher end of the weight range. Excellent tailset and carriage. Best Dog

2. CARLEETO LE TROUBADOUR...As in LD.

3. Austin's BALDRAGON HOORAY HENLEY

Class 1660 PB (2, 1 abs)

1. Baker's COFTON FAIRY TALE. Cheerful, cobby, well

constructed and with balanced

angulation. Attractive head, well domed, with open nostrils and good width to jaw and muzzle.

Sweet, soft expression, arched neck carrying head proudly, correctly carried tail. Best Puppy.

Class 1661 JB (1)

1. Baker's COFTON SNOW WHITE. Another pleasing exhibit from the same kennel, with similar head

and neck well used. Level topline held on the move with correct tail carriage and sound movement both ways.

Class 1662 PGB (3)

1. Mr SR Goodwin's LANOLA MADEMOISELLE JW. Lovely head with good width and turn up carried

well on arched neck. Really keen and competent showgirl and a very sound mover both ways, but

in my humble opinion she was out of coat today. Reserve Best Bitch.

2. Juniper's LEWISCAROL LADY IN RED. Well domed head, good neck, level back with good spring

of rib. My personal preference would be for a less noticeably wavy coat and her movement did not match that of the winner

3. Austin's BALDRAGON GRACE AND FAVOR

Class 1663 LB ((3)

1. Austin's BALDRAGON MAY BEA BABY. Happy, lively and soundly constructed. Very appealing

head with soft feminine expression. Good bone for her size, excellent spring of rib, short strong loin

and level back. Excellent tailset and carriage, short strong loin, this was the one that caught my

eye without carrying additional baggage which would qualify my admiration. Best Bitch & Best Of

Breed

2. LEWISCAROL LADY IN RED..as in PGB.

3. Mrs J Sellen's LEVICOS LADETTE TO LADY

Class 1664 OB (2)

1. LANOLA MADEMOISELLE JW. As in PGB but for whatever reason not entirely happy in this class.

2. LEVICO LADETTE TO LADY , Pleasing head, good topline when settled, but not the movement of the winner.
