

**The King Charles Spaniel Club Championship Show 30<sup>th</sup> April 2017  
Mr Kevan Berry (Ricksbury)**

**I was very grateful to be given the opportunity to judge The King Charles Spaniel Club's Championship show on 30<sup>th</sup> April 2017. The committee had worked very hard to put on this successful show. The Club held a simultaneous Health Check day for its exhibitors. This was also successful. It would be nice to think that other societies could follow suit with health issues being of such prominence these days. I was flattered to receive such a large entry of quality dogs. I did find a wide variation in type, many dogs would benefit from a little more exercise as there were quite a few that were quite loose in the rear. All the exhibits were clean and well presented. My sincere thanks to the exhibitors for honouring me with this lovely entry. My thanks go to my excellent steward Mike Rowley who kept the ring running smoothly throughout the day.**

He has excellent body proportions, being very solid with a deep well sprung rib, cobby in stature, he has excellent bone, moves soundly and correctly both ways, has a spirit level topline each time I looked at him. Pleasant headed with good dark eyes, good width of under jaw and nice nose placement. His sound free easy action on the move took him through to the DCC and RBIS

- 2. Pennington & Ashburn's Chacombe Whats Wanted - Correct sized tri colour with the most appealing head, beautiful dark eyes well set, good nose placement and again the correct width of under jaw. #### **Special Open Tri Bitch (5,1)**

**1. Bowles-Robinson's Ch Baldragon She Demands JW - stunning tri colour made to fit the standard. She has a beautiful head and excellent dome, lovely eye set, her eyes are dark and appealing, correct nose placement, good width of under jaw.
