

## **MIDLAND COUNTIES - 2017 - KING CHARLES SPANIEL**

**I was privileged to pass judgement on 72 entered exhibits with just 12 absent, and pretty evenly split between the sexes. The breed is blessed to have such fiercely dedicated breeder-exhibitors over many generations. The only bug-bear was fronts that were too consistently weak to ignore and not drawn to your attention, it being three and a half yrs since I last awarded CCs.**

**MPD (4) 1 Harvey's Rivermoor Alberto. 8 mth tri, typy, compact shape, good skull, balanced by width of muzzle, good eye and nose pad, prefer more chin, good bone and feet, good quarters, just needs to relax and to firm in front, very promising.**

**2 Mochrie's Downsbank King Of Jazz. 6 mth b/t, lovely head and eye, cobby shape, balanced but less well angulated fore and aft, richly marked, weak front as yet, good rear.**

**3 Stewart's Kasamanda Walk In Sunshine With Marchog.**

**PD (1) 1 Matches' Baldragon Earl Leicester TAF. 11 mths tri, beautifully headed, well ribbed, compact and cobby, scores heavily for breed type, just needs a tad more confidence, as to how good he is, so as to keep his topline as he circuits, good quarters, must tighten in elbow.**

**JD (3) 1 Sidgwick's Paulian Where's Wally. 17 mths tri, super headed, well domed skull, excellent eye, correct ear set, wide muzzle, a refined, cobby youngster albeit still with that teenage rawness, was rather hesitant behind but absolutely the best front so far.**

**OD (8, 2) The three champions surfaced to the top. 1 Essex's Ch Chacombe Royal Gift To Brendek. 4 yrs old tri, so handsome and so blessed with breed specifics that kept him just ahead, gloriously rounded, well domed head with equal width through skull and muzzle, beautifully made and bodied, compact, well broken quality coat, securely sound and elegant, set off by his arched neck as he circuited the ring. DCC.**

**2 Miller & Ryan's Ch Amantra Regius Of Feorlig ShCM. 2 yr old Blenheim with spot, the essence of elegance and refinement, lovely eye and ear set, lacks dome, cobby, well constructed, can still mature on to advantage, used himself to full advantage on the move, aided by skilled handling.**

**3 Smith's Ch Headra's Truly Magic Is Justacharma.**

**MPB (5, 1) 1 Cridland's Pomelo Fondant Fancy Avec Monleon. 8 mths Blenheim with spot, bred in the purple and daughter of the BOB, so pretty and ultra feminine, here was**

**an excellent front, arch to neck, well angulated, well broken, sound and free moving, just needs the addition of maturity to fulfil her baby potential.**

**2 Baker's Cofton Dusty Blue. 8 mths tri, very tppy, pretty head and eye, well angulated, well constructed, good front, just a little narrow all through and needs to settle to the job in hand, maturity will sort all that out, another promising baby.**

**3 Coupland's Mitapip Renaissance By Tucherish.**

**PB (2, 1) 1 Bowles-Robinson's Baldragon Hold That Thought. 11 mth old Blenheim, showy with a touch of class as befits a Ch Theo daughter, super headed, arch to neck, short, level and compact, well marked, glorious outline as she flows round the ring with drive from behind, but even she must firm in front as in all other respects she is title bound. BPIB.**

**JB (3) 1 B Hold That Thought.**

**3 Singleton's Celxo In My Craft.**

**LB (4, 1) 1 Matches' Khandro La Vie En Rose From Fochai. 4 yrs old tri, excels in skull and large open nose pad, has width through muzzle to balance her skull, so cobby and well bodied with depth and width in chest, well coated, moved positively with drive, had a 2 yr advantage in maturity.
