

WELKS Judge: JENNIFER MATCHES

Thank you for my entry , I did wonder how the fact that the parent clubs championship show was the next day Would affect my entry today , however I need not of worried as I was presented with plenty of nice Charlie's to choose from .All without exception were nicely presented and I think it is very evident the affinity Between exhibitors and their charges that exists. My main criticism would be that one or two needed more exercise to firm up behind also there were a couple who dipped behind the shoulders
