

**Thank you so much for inviting me to judge. It was an honour. I had a wonderful day and I thoroughly enjoyed myself. Thanks to the Officers and Committee for a well organized show and also a special thank you to all the exhibitors for a fantastic entry. I had the pleasure of going over some excellent dogs. I really really liked my main winners! Overall I felt the bitches were of higher quality than the dogs. In to many dogs I missed the proper spring of rib, and movement could improve. Nearly all the dogs had wonderful temperaments.**
