

## Richmond Championship Dog Show 7<sup>th</sup> September 2012.

### Veteran Dog (1).

1. Sellen's **COFTON ARMINO AT GMACRYSTALS**. Well marked Blen, moving well around the ring. Looked good, not showing his age. Adequate head, a shade long cast & a little short in leg.

### Puppy Dog (6, 2 abs.)

A close decision in this class.

1. Mochrie's **BONITOS COMPANEROS DELUXE HIGH SOCIETY**. This puppy had the most dome in the class, a nice sized tri, went well both ways holding a level topline. His tail is a little low set, but he has nice dark eyes, bright tans & looked a good shape moving and standing.
2. Williams **KASAMANDA CHASING A DREAM**. Heavier marked tri with full dome. He still needs to fill in muzzle. Nice dark eyes, happy temperament. A sound mover, a bit longer cast than 1.
3. Smith's **HEADRAS TRULY MAGIC IS JUSTACHARMA**.

### JUNIOR DOG (1)

1. Champion's **HEADRAS MOORCROFT AT LANKCOMBE**. Happy blen with extrovert temperament, not easy to keep still on the table. Moved out around the ring well & soundly. Richly marked, large nostril pad, but the pigment could be better. Round eyes, he needs more ear length & I would like more dome.

### Post Graduate Dog (4).

1. Schemel's **ELLIOT VON DER GEBHARDSHOH**. Well marked tri, moved soundly both ways. Adequate head, cushioned muzzle. I would prefer a darker eye, nice bright tans, good size. Held his topline with a good tailset.
2. Rushton's **NISYROS DONNIE DARKO**. Preferred the head and dome of this dog, dark eyes giving soft expression,

**nice cobby body. Lovely type. But front movement rather untidy & preferred the back action of 1 today.**

**3. Wallhead's SLEEPYHOLLOW TRIKKI DIKKI AT MERIDA.**

**Limit Dog (4,1abs)**

- 1. Mochrie's DOWNSBANK SPRUCE. Very sound moving, well balanced tri boy. Went well around the ring holding a firm topline & well set tail. Full head with well cushioned muzzle. Bright tans, round dark eyes, well boned, excellent straight front. Very nice type, I was pleased to award him the CC & BOB.**
- 2. Smith's JUSTACHARMA OH SO MAGIC JW. Tri with well domed head & full cushioned muzzle, well boned, bright tans, good pigment. Went well both ways, but I would like a little more length of leg for better balance.**
- 3. Juniper's LEWISCAROL LORD OF THE DANCE.**

**Open Dog (3).**

- 1. Rushton's TIFLIN TUDOR ROYAL JW. Mature 7 yr old tri in full coat. Well boned and bodied. Nice round eye, large nose pad. Full well domed head. Went steadily around the ring holding a good topline & well placed tail. Reserve CC.**
- 2. Tarabad'S LILLIJAY PERCY CUTE KHATIBI. Blen with lovely full dome, the best of the males, dark eyes & well cushioned muzzle. Well boned with good front, moved soundly both ways but does not hold his topline, falls away over the croup. Needs more ear length to complete picture and would like him to carry more body weight.**
- 3. Randle's OTHMESE ARNAUD TO LISRAN.**

**Veteran Bitch. (2).**

- 1. Williams KASAMANDA MY SWEET CHARITY. Tri girl 7 yrs, lovely full dome & well cushioned muzzle. Dark round eyes, good pigment. Well boned with good front, moved & stood with a good topline. Moved soundly around the ring but too fat !!!**

- 2. Stone's MAYNORTH SIMPLY HEAVENLY. B/T with lovely head, bright tans & lovely dark eyes giving a soft expression. Sweet temperament, but not holding her topline as well as 1.**

### **Puppy Bitch (9,1 abs)**

**The first 5 were all promising pups.**

- 1. Lewis CARLEETO SWEET MELODY. Tri pup that moved out really well, she kept catching my eye when they were all moving around together. Lovely topline & tailset, well marked with round dark eyes & bright tans. Feminine head, well filled, good bone, lovely front. Best Puppy.**
- 2. Robinson BALDRAGON SHE DEMANDS. Flashy tri pup, well bodied, good dome, bright tans & nice dark eyes. well ribbed cobby body, front needs to tighten & not as firm behind as 1, but a nice pup.**
- 3. Williams KASAMANDA MISS SUNSHINE.**

### **Junior Bitch (4).**

- 1. Kendall & Askins HEADRA'S CAVERSWALL. Lovely blen with good dome, lovely round dark eyes with good expression. Moved out soundly both ways keeping her topline, sweet happy temperament. She could be a shade shorter in back, but her overall quality won her the Reserve CC.**
- 2. Mochrie's DOWNSBANK EVENSONG. Sweet tri with pretty head, full dome, lovely dark round eyes. good pigment & bright tans. Well boned with good front, she doesn't do herself justice on the table. She should finish very nice, just needs some confidence.**

### **Post Graduate Bitch (4).**

- 1. Gurtner's FLEUR DE LYS DE MELCOURT. What a lovely bitch, tricolour with dark round eyes, black pigment, well domed head with well cushioned muzzle. A sound elegant mover, she floated around the ring with lovely head**

- carriage, a firm topline, well carried tail. Good neck and shoulders, good front. Pleased to award her the CC.
2. Kendall & Askins HEADRA'S MISS CADBURY. Lovely type b/t, sound mover with nice topline & tailset. Good head with lovely dark eyes, well cushioned muzzle, sweet happy temperament. Went happily around the ring with a good outline, but she needs to lose a few pounds.
  3. Stone's MAYNORTH LOVESONG.

**Limit Bitch (5,1 abs).**

1. Robinson's BARDRAGON ALL ABOUT ME JW. Flashy tri went well around the ring, looked good in profile. Well marked of good make and shape. Nice head with bright tans & dark eyes. Well set ears with good ear fringing. Tending to move wide in front.
2. Searle's STONEPIT DOLLY DAYDREAM. Blen with fabulous head, the best of the bitches. Lovely round dark eyes, good pigment. Elegant neck and shoulders, looked lovely moving in profile around the ring, but needs to strengthen in her hind movement as she was moving rather close behind today.
3. Gurtner's ELLINOR VON DER GEBHARDSHOH.

**Open Bitch. (5,3abs)**

1. Dix CH PAULIAN PRUDENCE FOR BEEWYE JW. Very sound moving tri, went well both ways with a firm topline & good tailset. Sweet head with dark eyes giving good expression, bright tans. Good neck and shoulders, happy temperament. Feminine head, but I would like it a little bigger.
2. Stone's MAYNORTH IRRESTIBLE JW. Lovely type of tri bitch, well domed, well cushioned head with dark eyes. well boned with good straight front. Went well around the ring, but carrying far too much weight.
3. Lewis VASHDOWN MY FAIR LADY.

**TRACY JACKSON (JUDGE)**
