

## **Southern Counties Championship Show 30<sup>th</sup> May 2014.**

**Thank you to the exhibitors for their entries it was really good to be judging this breed I consider King Charles to be one of my favorites. It has been a while since I have had hands on with the breed and I am really pleased with them generally, movement overall has improved and showmanship from the dogs was better , making the judging easier as I know they are a breed that have minds of their own and call the tune upon the day.**
