

## **Three Counties Show. 7<sup>th</sup> June. 2012. King Charles Spaniels.**

**What a wet day! Such a shame to have to judge inside on a June day. A big thank you to all the exhibitors who braved the weather to travel long distances to show under me. I still feel that many Charlies are lacking broad muzzles, and cushioning, that helps enhance the expression, and is an essential part of the breed.**
