

Bath 2009

Unfortunately I was given the wrong group catalogue so am unable to check family connections of my winners. Please watch fronts as a number were not good.

MPD (2) 1 Hodges & Marchog Monopoly, 6 months, bit unco-ordinated at rear at present. Lovely head & earset low, good jaw & cheeks well filled, short body. Needs time. Moved quite well; 2 Pascoe's Cwmtirion Aint Behaven, pretty tri, longer in body & needs more over loin. Spoils topline on the move but free action. Time will tell.

PD (1) 1 Robinson & Austin's Baldragon Hooray Henley, 9 months blen, over the top for size for me. Good depth of brisket & nice tailset. Slightly plain in head.

JD (1) 1 B Hooray Henley.

PGD (6) 1 Waters & Robins & Maibee Teddie, tri, such a typical specimen, short coupled, beautiful rise over skull, wide nostrils, lovely eyes & well filled cheeks. Ears hang flat, well set on tail, nice neck, shoulders & topline, straight front, good feet, in smashing condition, delightful temperament. Pushed hard for CC. RCC; 2 Leach's Amantra Carte Blanche, nice blen boy, smaller eye & longer cast. Free mover & good depth of brisket, pleasing skull; 3 Quartermain's Downsbank Mr Bo Jangles with Cutel.

LD (4,1a) 1 Smith's Justacharma He Is Our Magic, very free moving blen, enough of him but not over the top. Well balanced throughout, lovely head & ears, good stop & nose, in good coat & frill, a nice all round typical KCS. Panting a little which can spoil expression. CC; 2 Schilizzi's Rosspenn Fudge Brownie of Chacombe, needs more coat but rich ruby with good face properties. Larger eyes would improve. Cobby body & moved freely; 3 Austin's Baldragon Big It Up.

OD (3) 1 Lloyd's Cwmhaf Forty Second Street, preferred width of skull & jaw of 1 who moved quite well; 2 Stewart's Marchog MacFlannel, lovely rich ruby, just slightly less width of jaw which for me spoilt expression but close decision; 3 Healey's Chacombe Jackson.

MPB (1) 1 Goodwin♦s Lanola Amy Winehouse, very immature tri pup, just 6 months & it shows. Short coupled & lovely domed skull, ears placed well, good jaw, strong front. Bit by bit has good qualities, just needs to develop. BP.

PB (1) 1 Johnson♦s Alambra Voo Doo, 10 months b/t, if only she would stop ♦hoovering♦ the floor she would probably look quite nice. Lovely domed skull, full cheeks, good nose & stop, long ears, in super condition. Hopefully practice will help.

JB (6,2) 1 Fox-Shone♦s Amantra Charlene, well balanced extrovert tri, lovely head, beautiful eyes, nice size, moved well, straight front. Needs a little more maturity to complete the picture but very promising; 2 Phillips♦ Kasamanda Waltzing Matilda, left her clothes at home. Blen, has to be handled to appreciate her qualities. Nice skull; 3 Williams♦ Kasamanda My Lady Fayre.

PGB (10,1) 1 Waters & Robins♦ Maibee Olivia, blen, just lovely typy KCS, super outline, good neck, carrying a noble head, straight front, neck & shoulders flow into topline & tailset, gorgeous face, cheeks well filled, lovely mouth, superb condition & delightful temperament. RCC; 2 Smith♦s Justacharma Something Magic, blen, full of life, liked her very much, straight front & good width of jaw; 3 Bailey♦s Maibee Margot at Aldoricka.

LB (9) 1 Waters & Robins♦ Maibee Leah, tri, fine exhibit, such quality & typical from this handler, lovely domed skull, low set long ears, gorgeous eyes, rise, stop, expression, wide jaw, straight front, good feet, compact body & depth of brisket, tail well set on, good shoulders, smashing condition, moved freely. CC & BOB: 2 Goodwin♦s Lanola Moreneta, b/t, so much to like, moves well, very typy; 3 Williams♦ Kasamanda My Sweet Charity.

OB (4) 1 Allcock♦s Amantra Christiania for Sleepyhollow, tri, very feminine, typy, pleasing size & balance. Hind action could be better; 2 Mallows♦ Lorphil Copper Delight Binglui, ruby, built on larger mould & longer cast. Pleasing head & in top condition; 3 Southam♦s Cavella Callula.
