MPD. 3.

1st. Waters and Robins Maibee Theo.

7 month old Tri colour. Beautiful head, well set ears, kind dark eyes, good nose placement. Beautifully cushioned muzzle. Lovely size. In very good coat for age. Nicely balanced throughout. Moved very soundly back and front, a most promising prospect. I had no hesitation in awarding him the RCC at this tender age. He well deserved it. BP.

2nd. Anderson. And Watt Nisyros Donnie Dark.

Very nicely presented black and tan 9 month old. Not as balanced as the winner in body, but maintained an excellent topline on the move. Has a most attractive head, with good dark eyes, that were nicely set. Could strengthen a little in front movement, but very promising.

3rd. Evans Evandale Keegan.

Lovely headed black and tan. Good dark eyes giving a soft appealing expression. Good body proportions. Nice bone, good angulation particularly behind. Lovely size. Moved effortlessly around the ring.

2nd. Anderson & Watt Nisyros Cool Hand Luke.

Very pretty tri colour unlucky to meet winner, who was that little bit more confident on the move. Pleasant head, with good dark eye, nice nose placement, and plenty of cushioning under the eyes. Once again a very promising youngster.

Nicely balanced black and tan. In excellent coat and condition Good head, dark eyes. Good low set ears and nose placement. Plenty of cushioning. A most attractive exhibit. Out moved by the Open dog and M Puppy in the challenge.

Waters & Robins Maibee Louix

Nicely broken Blen. Pleasant head. Appeared higher on the leg than the winner, but a sound honest dog of good breed type.

Salguero Downsbank Fingal.

OD.4

1st. Lloyd Cwahaf Forty Second Street.

Blen. A well broken Blen of rich chesnut. Beautifully proportion head with good top skull. Nice ear and eye set. Eyes gave a very nice expression. Good neck and shoulders. Moved effortlessly around the ring. Although short of coat, I had no hesitation in awarding him what I was told was his 3rd CC, and with it BOB. He looked good in the group, where he was short listed.

2nd Marchog MacFlannel

Ruby in good coat. Beautifully presented. Well bodied. Good tail set and croup. Pleasing head. He appeared a little sluggish on the move, which cost him further glories today.

3rd. Matches Tucherish Florison of Fochai

Mature well broken Blen, of good colour. A little unsettled on the move.

Lightly marked tri colour bitch. Beautiful head, good dark eyes giving gentle expression. Lovely nose placement. Lovely size. Elegant and stylish on the move. Perhaps ring craft lessons for her would help. BPB

2nd Evans Evandale Caprice.

JB. 2,

1st Fox Shone Amantra Charlene.

Pretty headed tricolour well presented. Lovely eye giving the desired expression, nicely balanced in body,. Good bone, a very promising youngster, that has the advantage of sound bone, and excellent movement

2nd Taberner Amantra Charmelle

Of similar type to 1st, Not as confident on the move as winner, but of good breed type.

PGB 6 (2a)

1st. Willey & Siddle Maibee Charlotte Rose of Penemma

Lightly marked tri colour bitch with a very pretty head and nice expression. Ideal for size and type. Maintained a very good topline on the move. Her movement was sound back and front. Has a tendency to stand rather awkward which does spoil her outline. A typical toy spaniel, that could go to the top.

2nd. Harvey Rocquencourt Rosetta Royal at Rivermoor

Black and tan in lovely coat and condition. Overall type and quality pleased me enormously, but I felt she was feeling the head, and did not portray herself to advantage today.

3rd. Naylor Mainan Moon Angel.

LB. 6 (3)a

Anderson & Watt Maibee Lola at Nisyros.

1st 3 good bitches headed this class. Winner well broken tricolour bitch in beautiful coat and condition. Good neck and shoulders. Kept a good topline on the move. Her movement was true back and front. Her handler certainly got the best out of her. She is a very good example of the breed, possessing a very correct head. Perhaps not quite as soft in expression as the open winner, or could that be me nit picking. Well deserved the BCC which was I was told her 3rd, and also the 3rd champion from this litter. Her Breeders have every right to feel proud.

2nd Harvey Lankcombe Gabriella at Rivermoor.

Very prettily marked Tri colour who sadly left her clothes behind. Lovely head, beautiful eyes and expression. Of Ideal size. A

lovely bitch

3rd. Coupland Tucherish wkd Antoinette.

OB

1st. Waters & Robins Maibee Leah

Well broken tri colour, with a classic head. Beautiful big domed top skull, in fact could be a blueprint for the standard head wise. Luckily for her sister, she had left her coat at home which cost her the CC. Well deserved the RCC on her outstanding qualities and virtues..

2nd. Gurtner Int. Ch. Lux. Ch. Bel Dutch Swed Veryan D♦Ahotep

Pleasing headed tricolour Nice size Good body proportions. Well handled. Like the winner lacking a little coat, but a typical example of the breed.
