**1st: GILLHESPY** ♦s **Corinwood Columbo, B/t, an easy winner here, good steady temperament and the only one with any enthusiasm for the job in hand, still a little angular, ex shoulders, good topline and movement, dark eyes, well shaped head and charming expression.**

**2nd: EVANS** ♦ **Evandale Cromwell. Blenheim, loved him for size, type, substance, balance and topline. Can move well but just a touch overawed by the noise of the over-crowded ringside. Wonderful head, expression and bone. Lots of promise here.**

**3rd: LOYND** ♦s **Amantra Chevalier**

**1st: QUARTERMAIN** ♦s **Downsbank Mr Bo Jangles with Cutel. Very happy Blenheim with dark well shaped eye, excellent mover who holds himself so proudly, good shoulders and topline, broad healthy nostrils. BP**

**2nd: NAYLOR**♠s **Maenan Moon Blaze. Tri, rather apprehensive, who was extremely well balanced. Good topline and shoulders, lovely head and dark expressive eye. Could do with more body.**  
**3rd: EVANS**♠s **Evandale Cromwell**

**1st: GILLHESPY**♠s **Lorphil Copper Sunrise. Richly coloured Ruby. A great showman who scored on his finish to foreface. Obviously loved every moment , going a touch close behind to begin with but went much better as the class progressed, having a good reach in profile. Good wide nostrils and level back. Just needs a little more body.**

**2nd: MADDISON**♠s **Alambra Rich Ruby. Half brother and similarly needs a bit more sun on his nose with good nostrils and topline. Wonderful head and the most disgusted expression, which summed up exactly what he thought of the conditions. His look said it all. Didn't make the best of himself on the move, excellent body, more mature in coat than the winner. 3rd: WILSON**♠s **Lichens Ryandan**

**1st: MATCHES**♠ **Tucherish The Black Knight at Fochai. Well balanced cobby b/t with decent bone, of excellent size, type, make, shape and pigment. Lovely head and dark expressive eye, excellent shoulder, body and pigment. Very masculine, in**

**the best of coat and condition. Such a good sound positive mover both in profile and behind but, most frustratingly for both his handler and the judge, would insist on pulling over to effectively disguise his front movement whichever way we tried. He has all the potential in the world and was close up to the big green edged cards. His day will surely come.**

**2nd SMITH♠s Justacharma Now He Is Magic JW. Such a charming happy Blen whose pigment needs to darken, lovely for size and type, very sound and accurate on the move, just inclined to throw up his front feet with enthusiasm at times.**

**3rd: HOPKINS♠ Cofton Dancing In The Street**

**LD (8 Entries) Abs: 0**

**1st: ANDERSON & WATT♠s Maibee Blue Bayou at Nisyros. Gorgeous b/t, whose expression simply made me want to smile. Super head, eye and nostrils, truly cobby and well balanced, beautifully presented, excellent size and type. So well conformed all through with good layback of shoulder and this was reflected in the soundness of his movement with good reach in profile. CC which, I gather, is his second. He certainly deserves his title.**

**2nd: STEWART♠s Kasamanda Celtic Connexion to Marchog. Tri, chock full of type and quality, very good mover with lovely head, finish to foreface and topline, excellent shoulder and topline. Just needs more body to complete the picture.**

**3rd: FRY & JACKSON♠s Amantra Cheers**

**OD (5 Entries) Abs: 0**

**1st: MOSS**👉s Amantra Dickens with Sombur. Typey Tri, such a very good sound mover and so beautifully made all through with excellent body, coat and shoulder. Has everything going for him, just wish he had had a little more energy and enthusiasm. **RCC**

**2nd: HEALY**👉s Chacombe Jackson. Conversely, full of bounce and energy, lovely size and type, good head and pigment, well balanced with good layback of shoulder and excellent movement. Just a mite over enthusiastic with his tail, which spoilt his otherwise beautiful outline.

**3rd: STEWART**👉s Marchog MacFlannel

**VB (1 Entries) Abs: 0**

**1st: PLEWS**👉 Ch Tewhit Tandango. Most lovely Tri, in superb coat and hard muscular condition, making light of her 11 years. Excellent size, type, make and shape with firm well made body and decent shoulder, big wide healthy nostrils. Truly cobby and well balanced. Very good mover, especially behind and in profile with good reach. A credit to her owner. **BV**

**MPB (4 Entries) Abs: 0**

**1st: HARVEY**👉s Miss Lankcombe Gabriella At Rivermoor. Cleanly marked Tri, lovely in every way and such a happy, well balanced showgirl. Beautiful head, eye and expression, so mature for her age, in good coat and body and so well made all

through. She has good reach in profile, gong particularly well behind. Most exciting.

**2nd: MALLOWS**🎲 Binglui Ruby Rosella. Slightly longer cast ruby, full of fun, well conformed with good layback of shoulder. Extremely good mover. Lots of promise here.

**3rd: MOCHRIE**🎲s Downsbank Glimpse Of Jet

**PB (4 Entries) Abs: 2**

**1st: HARVEY**🎲s Rocquencourt Rosetta Royal At Rivermoor. I fell heavily for this b/t, who still has a bit of maturing to do in coat. Lovely for size and type with wonderful head and eye, in which she has such a superior expression. Good finish to foreface, excellent spring of rib, topline and shoulder. Scored on her ultra sound movement to go **BPB**

**2nd:PEARSON**🎲s Rexlands Addiction. Longer cast Tri, very steady on the move, good head, eye, nostirls and finish to foreface. Good steady mover.

**JB (7 Entries) Abs: 2**

**1st: SMITH**🎲s Justacharma Something Magic. Well named charming little cobby Blen with spot, of lovely proportions. So pretty with excellent shoulder and topline, scored in eye shape. So willing and eager to please, very good mover, can still tighten a touch in front.

**2nd: ANDERSON & WATT**🎲s Maibee Lola At Nisyros. Cleanly marked Tri, in very

**good coat and condition. An excellent mover with good firm body and well shaped head.**

**1st: ALLCOCK & Amantra Christiania For Sleepyhollow. Beautiful Tri with gorgeous head and dark expressive eye, truly cobby. Super for size, type, make and shape with the best of shoulders and hindquarters, good finish to foreface. The excellence of her movement just confirmed how well she is made.**

**Understandably not in full adult coat as yet but she has everything else in profusion. Quite outstanding. CC, her first, and BOB. Only a pity that her owner was spoilt for choice with his Jap also going BOB so was unable to handle her himself in the Group. I was reminded later that I had given her sire, Ch. Character, CC & BOB when he was only just out of Puppy. Good to see that this one is carrying on the family tradition.**

**2nd: KEANE & THORN & Danyas Twinkle Of Daddy's Eye. Very enthusiastic happy Tri with lovely head and expression, good finish to foreface.**

**3rd: LUNT & Beechglen Daisy**

**LB (8 Entries) Abs: 3**

**shoulder; excellent topline, so very happy and enthusiastic with slashing wagging tail. She moved beautifully.**

**2nd: LOYND♠s Crimbledale Solitaire. Tri, full of fun and obviously enjoying herself to the full, again with tail constantly awag. Lovely dark eyes, just a touch longer cast than the winner, going well behind.**

**3rd: JOHNSON♠s Jacrianna Holly Blue At Alambra**

**OB (5 Entries) Abs: 3**

**1st: FRY & JACKSON♠s Ch Amantra Winterberry. Glamorous cobby Tri in very mature body and well marked coat, lovely for size, type and balance with excellent shoulders and hindquarters. Beautifully made all through with gorgeous head, eye and expression. Moved especially well in profile and behind. RCC**

**2nd: PLEWS♠ Ch Tewhit Titania. Tri, in the best of coat and condition, well balanced, super for size and type but simply hated the whole thing.**

**Jane Lilley, Judge**
