

MIDLAND COUNTIES CANINE SOCIETY 2009

PUPPY D (6,0)

- 1. Messrs Anderson & Watt NISYROS COOL HAND LUKE - The first two puppies headed a class of good quality youngsters although this tri had the most gorgeous of heads extremely well domed and full over the eyes. Black round eyes and correct nose placement and good width of muzzle and ears set low completed the picture. He was short backed with a level topline and good bone and I could not fault him in any way. BP**
- 2. Gillhespy♦s TUCHERISH SUNDANCE - Lovely black and tan of correct size and type. Good domed head and very expressive eyes. He was short and cobby with a good level topline. His coat was gleaming and he moved with style. Liked his ring presence and was very unlucky to meet such an outstanding puppy in first place.**
- 3. Mochrie♦s DOWNSBANK SPRUCE**

JUNIOR D (3,0)

- 1. Sidgewick♦s PAULIAN PADDINGTON - Well made blenheim with solid body and level topline. Good body with excellent ribcage and good bone. He was well muscled and moved with drive. He had a large head but although adequate would like to see more dome.**
- 2. Tong♦s BALDRAGON HEAVEN KNOWS JAKCONAS - this tri dog had a large masculine head with good stop and muzzle. He is up to size for me at the moment but, hopefully, will not grow any more. He has good bone and is very sound.**
- 3. Evandale♦s RHETT BUTLER**

POST GRADUATE D (10, 1)

- 1. Mochrie♦s KUMBIA JAZZMASON - this black and tan of correct size headed a very strong class. He was both short, square and cobby, compact with a large head and dark eyes. His low**

set ears completed such a pleasing expression. He had a good spring of rib and good bone. Moved soundly and well round the ring.

2. Waters ♦ MAIBEE DEBONAIRE - The same head type that you see time and time again from this kennel. Well domed with good rise and full over the eyes. Good finish of muzzle. He was short with a level topline but needed a little more body to complete the picture.

3. Morris ♦ PALANDRO WINTER ROBIN AT RAYTRIX

LIMIT D (5,0)

1. Anderson & Watt ♦s MAIBEE BLUE BAYOU AT NISYROS - Absolutely adored this gorgeous black and tan who was both immaculately groomed and presented. His coat gleamed and was both straight and silky. His head was large with loads of cushioning and large dark eyes with low set ears completed the picture. He had excellent spring of rib, good bone and good reach of neck. I loved his size and compactness. RDCC

2. Rushton ♦s TIFLIN TUDOR ROYAL JW - very masculine large headed tri which was not in any way coarse. Very full face with excellent cushioning. Good spring of rib and level topline. Excellent bone and good angulated which produced sound positive movement.

3. Portingale ♦s TUDORHURST BRIGADIER

-

OPEN D (6,2)

1. Fry & Jackson ♦s CH AMANTRA CHEERS - there is nothing I can add that has not already been said about this completely typical King Charles Spaniel of such good type. The picture of a refined toy spaniel on the table that absolutely changed on the floor to a real showy "Charlie" who moved effortlessly but with drive. Large head, full over the eyes which were large and dark and good dome. Correct eye, nose and ear placement. Well ribbed with level topline, correct front and good strong legs and I was delighted to give him another CC and BOB

2. Stewart♦♦s **MARCHOG MACFLANNEL** - This lovely large head ruby with low set ears, good reach of neck and level topline was groomed to perfection. There was not a hair out of place and his coat shone as if the sun was shining on it. Good pigmentation with well defined stop. Good reach of neck with correct shoulders and front. He seemed not to like the venue on the day which was both loud and noisy and although some dogs coped admirably, many of them, including this lovely boy, was really put off. Have seen him move so much better than he did today.

3. Maddison♦♦s **TUCHERISH ANGELO**

PUPPY B (7,1)

1. Waters and Robins♦♦ **MAIBEE IMELDA NAF** - Such a very pretty tri girl, very feminine. Although she is so young and immature she has everything there ready to blossom. From her very good dome with good rise, fullness of face and cushioning to her large dark round eyes, well placed stop and full muzzle. Short backed with level topline she was every inch a King Charles Spaniel.

2. Robinson♦♦s **BALDRAGON HEAVEN SCENT** - such a well schooled girl who was both short and cobby. Full of herself with such a good temperament she had real positive moment with drive. Well domed head with low set ears. Really liked all three but my third place would not in any way keep still long enough for me to assess her.

3. Gillhespy♦♦s **TUCHERISH LUCRETIAN BORGIA**

JUNIOR B (6,1)

1. Waters & Robins♦♦ **MAIBEE GLORIA NAF** - How can you separate the girls from this kennel. They are all so much alike in both head properties, correct size, shape and type. This tri girl had a very good dome with good rise and full over the eyes with long, low set ears all points so important in our breed and so typical of this breeding.

2. Searle♠s **STONEPIT PENNY ROYAL** - This tri girl had such a good ribcage for her age and moved well with sound positive movement and good carriage of her head at all times. She had good width of chest and good bone. Well domed head with correct eye and nose placement and a lovely girl to watch both on the move and standing.

3. Juniper♠s **OTHMESE DHU DORCUS TAF**

POST GRADUATE B (7,2)

1. Goodwin♠s **MAIBEE MAMMA MIA DIGGLE** - Lovely Tri girl with such a lovely head which was very well domed. Very large dark eyes with extremely good rise, low set long ears and good cushioning. She has a good front and sound movement. Another that is both short, compact and cobby which I tried to find in all my winners. She looked a picture on the day and thorough deserved her RBCC.

2. Harvey♠s **ROCQUENCOURT ROSETTA ROYAL AT RIVERMOOR** - Black and tan with very good bone, good front and width of chest and good spring of rib. Very attractive head with ears low set, good finish of muzzle giving a pleasing expression. Moved strongly and well.

3. Bailey♠s **MAIBEE MARGOT AT ALDORICKA**

LIMIT B (9,2)

1. Stone♠s **MAYNORTH IRRESISTIBLE JW** - Have always like this tri girl from the moment I saw her. She has the most gorgeous of heads with the correct dome. Very square with a good spring of rib. Her ears are low set with long fringes and eyes dark. She has good finish of muzzle , correct nose placement, full under the eyes which are large and dark. She moved well today and is very sound with an excellent front and I do hope this is the start of her CC♠s. BCC

2. Robinson♠s **BALDRAGON BOOTYLICIOUS** - Another very exuberant tri bitch from this kennel and her owner certainly gets the best out of her dogs. They are well schooled and attentive to her owner. She is both short and cobby with a level topline. Good long ear fringes set on a well domed head. She moved with both drive and style. Liked her size and shape.

3. Coupland ♦s TUCHERISH WKD ANTOINETTE

-

OPEN B (6,2)

1. Pearson ♦s CH TEWHIT TALITHA - Such a lovely tri bitch with extremely good domed head. Everything was right about her face from her very dark correctly placed eyes nose and low set ears to her well finished muzzle. She is extremely sound and moved well. Would have preferred her a little shorter in back but, nevertheless, a lovely bitch to be appreciated.

2. Harvey ♦s LANKCOMBE GABRIELLA AT RIVERMOOR JW - I have always liked this superb tri girl. She is both short and cobby with an extremely good ribcage. Good dome with plenty of rise, and fullness of muzzle. Her ears are low set. She is very sound but tends to be fidgety. Today was one of the days when her natural exuberance was hard to contain but she is a lovely girl full of type.

3. Fry & Jackson ♦s CH AMANTRA WINTERBERRY
