

Judge: DR ANNUKKA PALOHEIMO SEGERSVEN [FINLAND]

This was a judging appointment I had immensely been looking forward to, and one of the reasons I persevered the 10 day self-isolation as part of covid regulations. It was worth it as I was blessed by such a quality entry of Charlies. Most happy to see so many promising youngster showing both excellent breed type and soundness. I got my first Charlie back in 1974, and been an advocate for the breed ever since. I trust that although the breed is small in numbers, there is quality and continuity and good future. Thank you for the most enjoyable day and best of luck to all of you.

1st BALDRAGON SHOOT HE SCORES (C BOWLES-ROBINSON), what a lovely puppy! Very sound, well matured bigger puppy with excellent, generous well shaped and domed head with lovely underjaw and profile, strong round bone, good body for his age, excellent rear, excellent tricolour markings and colour, promising coat. At this tender age, a confident, sound mover who outmoved his main competition. Certainly an exciting career ahead. I later realized he is a grandson of an American dog I made World Winner many years ago in Helsinki. Exciting times ahead once fully matured! Best Puppy. CC and BOB.
