1. Bowles-Robinson's Baldragon Shoots He Scores, repeat.  
2. Kendall's Headra's Irresistible, thirteen month lightly marked blenheim dog; not as mature as class winner; he possesses a lovely head with correct dome, nicely placed ears, large dark eyes, wide open nostrils, well padded muzzle and turnup; correct front, not too long in leg; level topline with nice ribcage; tail carriage low; just needs more time to mature.

1. Boyer's David Ot Nevskogo Hobbita At Ellinghurst (Imp Rus), impressive tricolour dog; two years old and an import from Russia; I really liked this dog; no exaggeration; large well marked head, well feathered ears carried low; darkest of eyes, large open nostrils; strongly arched neck, short cobby body with excellent well sprung ribcage; great bone front and rear; super soft silky coat, well defined bright tan; movement very positive and elegant. I was pleased to award him the RCC..  
2. Stewart's Monleon Made By Magic For Marchog, twenty two month old lightly marked blenheim dog; great depth of colour; not the substance of the class winner; loved his head, well domed, dark eyes, ears placed and carried low, correct large open nostrils; head carried on well arched neck, short level topline; sufficient bone for his size; moved freely.  
3. Baker's Cofton Daydream Believer.

1. Melville's Champion Amantra Chorale, this five year old tricolour dog is so well balanced; superb head and square outline, well domed skull with low set well fringed ears; very full over the eyes which are large and dark; no fall away under the eyes, wide neat and well padded muzzle; heavy boned shortish front legs; well let down rear quarters; an abundance of well presented coat; moved with elegance and freedom, keeping his tail low at all times; another super exhibit.

1. Jackson's Champion Amantra Regal Duke, regal by name and by nature, just coming out for his first veteran class, you would never guess that he is seven years old; absolutely loved everything about this tricolour dog; glorious head with low set heavy fringed ears, super large dark eyes, well placed black nostrils, full dome, neat well padded lips; wide white blaze with bright tan over; strong neck; a cobby little dog, really heavy bone, level topline, well sprung ribcage, tail held low and carried low on the move; an abundance of silky coat finished the picture; moved freely and with elegance, the epitome of a male Charlie; so well presented and handled; he demanded and was awarded the Dog CC..

2. Austin's Dragonheart Fall Breeze, another seven year old tricolour typical Charlie dog; pleasing head with enough dome; well placed ears, dark round eyes, large open nostrils; well arched neck, correct level topline with well carried tail; slightly too light all through for me, but moved with elegance and drive.

**PB (3, 1 abs)**

1. Austin's Baldragon Gots Hattitude, sister to the winner of Puppy Dog, very lovely head, large skull which was full over the eyes; the eyes were large and dark; well placed open nostrils, low set ears; good arch of neck, well sprung ribcage, correct tail carriage; moved with drive, could have been a little shorter.

2nd: Nemeth's Arrowbien The Sphinx, beautifully presented smaller type puppy bitch; excellent head with enough dome, darkest of eyes, large open nostrils, neat lips, good turnup; short and cobby in outline, pleasing bone for her size; moved with elegance and drive; not very cooperative on the day but I think should have a bright future; a beautiful tuoy spaniel.

**PGB (4, 1 abs)**

1. Boyer's Ellinghurst In For A Penny, another one to watch out for in the future; only 21 months old and lightly marked, she is as yet fairly immature; she possesses a very feminine head with full dome, low set ears, dark round eyes, wide neat muzzle; good arch of neck, short level topline and well sprung ribcage; moved elegantly.

2. Stanbury's Cofton To The Moon and Back To Inixia, also a very pleasing lightly marked tricolour bitch; such a very pretty head with full dome, dark round eyes, large open nostrils, low carried ears, neat muzzle with turnup; well arched neck leading to firm level topline; moved really soundly; I would just like to see a little more body to complete the picture.

3. Stewart's Poltomic Peppermint Patty With Marchog.

**LB (1, 0 abs)**

1. 1. Baker's Champion Cofton Fairytale JW, my star of the day, such a feminine bitch seen from any angle; gorgeous head with bright tan spots over the eyes, perfect

symmetry of head proportions; well domed head which was full over the eyes; the eyes were large and dark and set well apart; ears low placed with really profuse fringing; wide muzzle with well padded neat lips and good turnup; a picture of prettiness; well arched neck, short cobby body with well sprung ribcage; tail carried low; profuse coat that was silky and straight; moved with freedom and elegance; pleased to award her the Bitch CC and Best of Breed..

VB (2, 0 abs)

1. Stewart's Champion Marchog Macflannelette, stunning black & tan bitch; perfect profile and size; exquisite feminine head; a real toy spaniel but with no lack of substance; super skull which was very full, dark round eyes, low set well fringed ears frame her very pretty face; good square muzzle, all finished with a tan spot over each eye and the bright tan continued in all the right places; her neck is arched into well laid shoulders with shortish well boned front legs; short level topline, well sprung ribcage; she moved elegantly, especially for a seven year old and her raven black coat gleamed in the sunlight; well deserved the Bitch RCC.

2. Austin's Baldragon May Bea Baby, the oldest here today at eleven years of age, a real tiny toy spaniel; she is fit and well and a credit to her owners; sweet feminine head, good round dark eyes, sufficient dome and muzzle; nice strong bone; still moving really well for her age.
