SHEALAGH WATERS SPECIAL AWARD CLASSES

Firstly, can I thank the committee for their invitation to judge the SACs classes at this their new and very pleasant venue. This was held at their Open Show and in conjunction with their BOAS Testing Day. It was very heartening to see so many members availing themselves of the KCSC Rescue and Welfare funded project. I thank exhibitors for their entry –just sorry there were so many absentees. MY grateful thanks also to my efficient steward. Not many entries to make an overview of the breed but I must comment that all were happy and confident –a welcome improvement.

J D/B – (2-1) 1 Tarabad & Whitman, Baldragon Centre Stage with Khatibi Tri Bitch 11 months. Well developed for age, short back, good bone, straight front, good turn of stifle with short hocks giving strong sound movement, coat coming in nicely, uses tail well. Handler gets every ounce out of showing her attributes. Stood alone but could easily have handled competition.

PG D/B-(4-0) 1 Stewart, Monleon Made By Magic for Marchog Blen Dog 2yrs.Compact body with correct shoulder placement giving proud head carriage on arched neck. Graceful, fluid and precise movement. True Charlie skull and classic head properties with the darkest of eyes. A little more time to fill out in loin and he will trouble the best. 2 Tarabad & Whitman, Baldragon Russian Around with Khatibi (NAF) Tri Bitch 7months. Well bodied and so very happy. Young so not yet balanced –level topline, could shorten up to advantage.

O D/B (5-4) 1 Stewart, Marchog Minta Buckle Black & Tan Bitch 4yrs. Cobby, short back with grand ribcage. Short loin giving collected movement. Attractive headpiece and dark eyes with low set ears giving the kindest of expressions.
