### **King Charles Spaniels – Dogs & Bitches.**

**Sunday 12<sup>th</sup> January 2020**

**It was a great honour and a privilege to be asked to judge this breed at Boston & District Canine Society Championship Dog Show. I would like to thank the committee and Show Secretary in organising a well-run and well executed show. I would like to pass on a heart felt thank you to all exhibitors allowing me the great privilege of judging their “Charlies”, a breed very close to my heart, alas at the moment I am without out one. I thoroughly enjoyed the opportunity of getting close to this breed again.**

Lovely black nose and nice turn up. Large dark eyes set well apart. Lovely expression. Ear set low hanging nice and promise of good feathering. His very first show and a bit overwhelmed by everything, but once settled he moved steadily and showed off his firm top line and medium neck and lovely head carriage. Very sympathetically handled and should have some fun with this little chap. BP**
