A low entry unfortunately, but I understand it is a long way to travel. I was pleased with my main winners.

Puppy Dog (1).

1. Baldragon Dream Chaser at Lizlanmor. 6 month old Tri, well boned with round dark eyes and bright tans. Front ok, moved steadily around the ring. A tad long in back and he does fall away over the croup. Skull ok, but needs more upturn.

Junior Dog (1)

1. Mitapip Highlander (taf). B/t pup 7 months, very frightened and unsure. A nice head with good expression when he relaxed a little. Dark eyes, bright tans, moving unsteadily and a bit narrow behind. Needs more ring experience.

Post Graduate Dog (1)

1. Lorphil Geordie Lover (taf). Lightly marked blen with nice skull and low set ears. Kind dark eyes, richly coloured. Well boned with a gentle temperament. Still a bit rangy, needs to body up and drop into himself, went happily and well around the ring.

Limit Dog (1)

1. Justacharma Northern Magic. Well bodied tri who moved well fore and aft, well boned, showed well and looked good in profile. Nice dark eyes, i would prefer more filling under his eye and more upturn.

OPen Dog (2).

1. Ch/Am Ch Marsward My Masterpiece. Mature ruby dog, well bodied with good rib. Good neck and shoulders leading into firm level back. Good skull, low set ears, large round eyes, presented in lovely coat and condition. Moved soundly fore and aft and with a good outline in profile. CC & BOB.

#### Junior Bitch (2)

1. Una de Melcourt. Mature,lightly marked tri bitch, well domed head with round dark eyes, well fringed low set ears. Well boned, good neck and shoulders, moved out smartly around the ring holding a firm topline, she could be a tad shorter in back.
