Championship Show: Thank you to the King Charles Spaniel Club Committee for the opportunity to judge this lovely breed at their well run Championship show. Also for the gifts received, so thoughtful and a wonderful reminder of the late Jeannie Coupland which I will treasure. The standard was high and I was delighted with my winners. Care needs to be taken with this very special breed as its all too easy to lose "type" To all the exhibitors who entered under me thank you for your entries and for bringing your quality dogs under me To my two Ring Stewards Ron & Andy thank you for ensuring that the ring was kept moving, and in good order, especially to Andy who stood in at short notice.
