

My thanks to the officers and committee for inviting me to judge this show, and my thanks to the exhibitors that entered under me

Class 23

1st CONSTABLE Mrs M., **Mitapip Persevere** month mature ruby dog, he has large head, with good dome and rise of skull, dark eyes, black nose with large open nostrils, lips that meet, he has sufficient neck, with well sprung ribs, good turn of stifle, moved well when settled maintaining a level topline.

2nd CLARKE Mrs P., **Headra's Bohemian Rhapsody at Poltomic**, 17 month old tri dog less mature than 1, he has a lovely head with gentle expression, well domed head and rise of skull, correct ear set with long ear feathering, dark round eyes and black nose, has a nice outline in profile, needs to tighten up in front when moving.

3rd MADDISON Miss S., **Mitapip Macallan**

Class 24

1st CONSTABLE Mrs M., **Mitapip Bright Eyed Bridget**, nearly 6 year old bitch, black and tan that's on smaller size but well constructed, she has a lovely head with good rise of skull, ears well set, dark round eyes and lips that meet, with good turnup to jaw, she has a cobby body, with sufficient bone for size, hard to assess her movement as is lacking in confidence.

Class 25

1st STEWART Mrs K M., **Ch. Monleon Made by Magic for Marchog.**, nearly 6 year old blenheim dog. This is a dog I have admired from the ringside, he has a beautiful large head, with good rise of skull, full under his round dark eyes that give that melting expression that is desired in the breed, his lips meet with good turnup to his jaw, he has a cobby body with deep chest and well sprung ribs, moves with confidence going and coming maintaining a level topline.

2nd CONSTABLE Mrs M., **Tucherish Andrew Carnegie**, 6 year old black and tan dog, that has bright tan in all the right places, his head has a good rise of skull, ear, eyes nose all set in line as breed standard requires, eyes are dark and round, has a good turnup to jaw with lips meeting, sufficient neck, short back with well bent stifles, correct tail set, level topline maintained when moving.
