

PAIGNTON – 2025 KING CHARLES SPANIEL

I would like to thank Paignton Committee, the opportunity to judge and to my efficient stewards, who kept everything running smoothly.

SBD/B (1) 1 Rignall, Rignolla Baby Reindeer, nicely marked tricolour, 15 months old, well domed skull, large dark eyes, medium neck into well laid shoulders, level topline, well bodied, moved true and freely.

PD (1) 1 Sidgwick & Sidgwick, Chacombe Hank At Paulian, nicely marked tricolour, large head with round eyes, open nostrils with square muzzle, well laid shoulders, a larger dog who needs to couple up, a difficult age, moved well.

JD (2) 1 Rignall, Rignolla Baby Reindeer, Repeat 2 Sidgwick & Sidgwick, Chacombe Hank At Paulian, Repeat

Pgd (3) 1 Rignall, Rignolla Baby Reindeer, repeat 2 Austin & Austin, Baldragon Pardon My French, heavily marked tricolour, large head with large dark eyes, deep chest, correct height, good angulation, not giving his best.

LD (3) 1 Champion & Jackson, Amantra Kings Oak, a quality tricolour, with a lovely shaped head, good rise, forequarters, short and straight, level topline with a cobby body, good anulation and movement, just needs a tad more body for top award, RCC. 2 Pearce, Baldragon Living The Dream With Khatibi Jw, a lovely sized tricolour, a little stuffy in neck, pleasing head, good chest, level topline with good body, well bent stifles, tail a little gay today. 3 Austin, & Austin, Baldragon Blinkin Hell

Od (1) 1 Bowles-Robinson, Ch Baldragon Shoots He Scores, a very masculine tricolour boy, who is just up to size, large headed with gorgeous large dark eyes set well apart, muzzle square which was wide and deep, elbows close to ribcage, level topline with a strong body, good rear angulation which allowed him to move elegantly with drive from behind. Very sound and just piped the bitch for BOB on maturity. DCC.

VD (1) 1 Pearce, Downsbank Troubadour Over Ozzymoon, pleasing tricolour with a nice head, square muzzle, not a bad shape, lacking his firm topline today and could have had better hind movement. He was enjoying his day out.

PB (3) 1 Bowles-Robinson Baldragon Remember Me, what can I say, this top quality tricolour could have blown me away. As soon as she entered the ring, I could see was the perfect size and shape. Large head which was feminine to look at with a good rise to skull, perfect features, medium neck into very well laid shoulders, cobby body which is well developed, ideal length of leg, good bend of stifle, true reserved personality, who moved freely and effortlessly around the ring. A star in the making and I could not deny her the CC, despite only being 9 months. 2 Rutherford & Rutherford, Rignolla Devon Dreamer With Potbelli, lovely, typy Blenheim, with a lovely head, dark eyes, excellent pigment, good in front with elbows close to ribs, level topline, not as well developed in body as 1, quite raw at the moment, moved really well. 3 Baker, Rignolla Dolly Daydream

Jb (2) 1 Bowles-Robinson, Baldragon Remember Me, repeat 2 Rignall, Headra's Love Of My Life, lightly marked tricolour, I loved her head with lovely eyes, good front, topline needs to settle, cobby in body, nicely angulated, very happy and confident mover. I liked her a lot.

PGB (2) 1 Jenkinson, & Bowles-Robinson, Baldragon French Fancy, heavier marked tricolour, lots to like, good size to head, nice shape with good features, level topline with a good firm body, moved very well. 2 Rignall, Headra's Love Of My Life, repeat

LB (3) 1 Baker, Cofton Part Of Your World, lovely headed tricolour, feminine, but mature, large eyes set apart, square wide muzzle, open nostrils, medium neck into a good front assembly, correct length of leg, cobby body and so well balanced, level topline with good bend of stifle, moved really well and with drive. RCC. 2 Paradise, Yeshalomi Jam And Jerusalem With Shardlow, pleasing type Blenheim, good size to head with good features, would prefer a lower earset, completely out of coat and being a bit naughty on the move for her handler/owner. 3 Austin, & Austin, Baldragon Gots Hattitude
