KING CHARLES SPANIEL

A numerical disappointing entry and after 45 years in the breed I found it a challenge to find the type of Charlie I used to admire in the past. Some promising exhibits were lacking the necessary performing ability to be rewarded. Others were presented in such poor condition strictly ruling out higher rewards and gratification !

1st: MOCHRIE, Mrs Ruth Chacombe Harry On Downsbank, refreshing to see a well broken Tricolour. Excellent size and sufficiently cobby for age. Pleasing large head with equally soft and distinct expression, filling come on nicely, correct dome, well-set ears, excellent nose-placement, good reach of neck, substance coming nicely, really wish owner would make more of an effort to get the best out of this very promising puppy

1st: RIGNALL, Mrs Nicolette Rignolla Baby Reindeer, Tricolour scoring heavily on his very nice head looking good from all angles, well broken coat coming on nicely, rather long in cast and in combination with lack of substance appears rather rangy, however time is on his side and patience is needed and hopefully will not be wasted.

1st: MORLEY, Miss E Baldragon Dream Chaser At Lizlanmor JW, For emotional reasons I have admired this young Tricolour from the ringside and I was pleased to be able to put my hands on him. Simply lovely head, undoubtedly masculine but without any hint of loose coarseness, classical dome and profile, excellent reach of neck and firm straight back, sound mover, rather heavily marked but all his other virtues are well making up for that, stable mind and moved and showed well. Quite normal for this breed he needs at least another two years to body up and fully mature but then should trouble the best. **CC**

2nd: 4832 BOWLES-ROBINSON, Mrs C Baldragon One Time Only NAF TAF, stacked this Tricolour looked the picture, correct size, cobby, good reach of neck and short back. Pleasing head piece but completely throw his chances

away on performance but hopefully this quality young dog wont be wasted.

1st: JACKSON, Mrs T M Amantra Tantalus, Blenheim instantly recognizable for the type of this renowned kennel but at the worst stage of development. Really pleasing head with correct dome, good profile, excellent eye, sound quarters, all the essentials there just needs time to fill out and mature.

difficult class to sort out with dogs in different stage of development.

1st: MOCHRIE, Mrs Ruth Downsbank Indian Ink, mature Black and Tan, scored heavily on his attractive large head with plush features, excellent cushioning and expressive dark eyes, ok in bone, position of croup not his strongest asset, well kept coat of correct texture, moved ok but certainly did not make the best of himself which prevented further awards.

2nd: AUSTIN, Mrs Kathleen & AUSTIN, MR MARK Baldragon Blinkin Hell, rather heavily marked Tricolour, mature and sufficiently cobby. Pleasing large head, with open facial features, good cushioning, low-set ears, moved ok but lacking showmanship.

3rd: CHAMPION, Mrs Claire & JACKSON, Mrs Tracy Amantra Kings Oak

2nd: KENDALL, Mrs M & BAKER, Miss Emily Cofton Tap Dance, lightly marked Tricolour built on rather long cast, very pleasing head piece, low-set ears, showed well, needs to body up to complete pleasing picture, time is on his side.

1st: RIGNALL, Mrs Nicolette Headra's Love Of My Life, lightly marked Tricolour bitch, rather raw at the moment and needs time to body up which should improve her topline, very pleasing head, filling coming on nicely, rather steep behind, friendly disposition

1st: BOWLES-ROBINSON, Mrs C Ch Chacombe Marana Baldragon, Tricolour, a true cobby ToySpaniel of correct size and shape looking good from all angles, very good head with plush facial features, classical profile, super neck and firm short back, sound hindquarters, well broken and well kept attractive coat, of desired happy disposition and moved with purpose, no compromises here ! **CC, BV & BOB**, a shame that the owner decided not to represent the breed in the Group

1st: RUTHERFORD, Miss H & RUTHERFORD, Miss Grace & RUTH Rignolla Devon Dreamer With Potbelli, petite Blenheim of nice shape, short-coupled, substance hopefully will come with age, not the biggest head but well balanced and pretty expression, friendly outgoing disposition winning half the battle, should do well once fully matured, very promising

1st: SELBY, Mr Mark Baldragon Pride Of Place At Zilcan, pair of very promising youngsters. . Scored in cobbyness, filling under the eye and coat condition over her litter sister. excellent depth and width of ribcage paired with just enough length of leg, most lovely soft expression with plush facial features, sound quarters and well schooled, I hope she will gain another inch in height to complete very pleasing picture and then should do really well **BP & R.CC**

2nd: BOWLES-ROBINSON, Mrs C Baldragon Remember Me, highflying puppy of great quality and built on fairly similar lines to her sister, almost the same facial features, excellent neck, slightly rounded croup not helped by rather heavy markings, not the coat and presentation of 1st.

1st: AUSTIN, Mrs Kathleen & AUSTIN, MR MARK Baldragon Gots Hattitude, Tricolour, rather up to size and would like her a bit more feminine and less plain in expression, sound quarters, straight topline, a touch long in loin, moved well, not a glamour girls but honest and sound.
