KING CHARLES SPANIEL

P (2) 1 Baldragon Remember Me (Bowles-Robinson) What a lovely promising King Charles puppy and what a name. I will for sure never forget Baldragon Remember me. Everything fits on this charismatic puppy. Beautiful proportions, very correct head with a lovely expression. But it is on the move you just must admit that this is a dog better than normal. Vauw. I am sure we will see this beautiful King Charles on the top of the podiums in the future. BP, BB and BOB 2 Rignolla Devon Dreamer with Potbelli (Rutherford) Very feminine with a correct skull, nice stop, good neck and topline. Pleasing movements. Wonderful temperament.
